

Karthauser Poinsettia Delivery Schedule 2019

In the past we allowed customers to get poinsettia deliveries on any day that we were in a given area. With only a limited number of large temperature-controlled trucks and to serve our customers better we will only deliver poinsettias on the poinsettia days listed below.

All plant orders must be received by **1:00 pm** the day prior to delivery and cut flower/supply orders by **2:00 pm** the day prior. **NO SAME DAY OR LATE PLANT ORDERS CAN BE ACCEPTED INCLUDING CHANGES TO EXISTING ORDERS.**

If you have any questions as to when your delivery days are, please refer to the schedule below or contact your salesperson. Karthauser will always strive to offer the best service in the industry and we thank you for your continued support.

The following schedule for **Poinsettia/Plant deliveries** effective as of 11/25/2019 – 1/01/2020
